In order to provide you with the best service of life-rafts, Vancouver Liferaft & Safety has created this check list that needs to be fully completed prior to the pick up/or delivery of any life-raft or service. It is imperative that this form is completed and sent back to us via e-mail or fax. If you are not setup with credit terms you will be responsible for making pre-payment. These arrangements need to be made prior to life-raft pick up.

NOTE **Delay response of this form will setback your service **
